

# TweedleTunes

Sing-Along Storytime Adventure

## Why TweedleTunes?

- Engaging Exploration - Foster creativity and imagination with hands-on activities, movement, and play.
- Self-Regulation - Music has the power to help children regulate their emotions. Through our program, your child will learn to express their feelings and find calmness through music and rhythm.

## Inclusive Activities

- Sung Storybooks
  - Interactive Music
  - Hands-on Play
  - Themed Sessions
- Musical Storytelling - Your child will be immersed in the world of stories brought to life through captivating songs and melodies.
  - Literacy Foundations - Develop early literacy skills through interactive storytelling, enhancing language comprehension and vocabulary.
